University and Educational News 600

MSS. intended for publication and books, etc., intended for review should be sent to the Editor of SCIENCE, Garrison-on-Hudson, N. Y.

THE AMERICAN ASSOCIATION FOR THE ADVANCEMENT OF SCIENCE SECTION B—PHYSICS. I.

THE annual meeting of the American Association for the Advancement of Science, Section B, was held in the Ryerson Laboratory of the University of Chicago, December 30 and 31, 1907, January 1 and 2, 1908. This was a joint meeting with the American Physical Society. Each society held a short session for the transaction of routine business, but all of the meetings for the reading of papers were joint sessions of the two organizations.

The presiding officers were Professor Dayton C. Miller, of the Case School of Applied Science, vice-president and chairman of Section B, and Professor Edward L. Nichols, president of the American Physical Society. Other officers of Section B present at the meeting were the retiring vice-president, Wallace C. Sabine; the secretary, Alfred D. Cole; member of the council, Henry Crew; member of the general committee, H. S. Carhart; members of the sectional committee, W. C. Sabine, D. C. Miller, A. D. Cole, F. E. Nipher, E. L. Nichols and A. P. Carman (elected at this meeting to serve for five years).

For the next annual meeting, to be held at Baltimore in the convocation week of 1908-9, and for the summer meeting to be held at Hanover, N. H., during the week beginning June 29, 1907, the officers elected are:

*Vice-president and Chairman of Section B—*Karl E. Guthe.

*Retiring Vice-president—*Dayton C. Miller.
